## ONEONTA TAKES MILE EVENT AT TRACK SATURDAY

Dillingham Entry Given Grand Ride By Carroll, Winning From Satisfax in 1:43

Oneonta, the bay horse owned by Mrs. Walter Dillingham, won the special mile race held at Kapiolani park on Saturday afternoon, and the crowd suffered many shocks as Satisfax, the black mare owned by Lieut. De R. Hoyle, finished more than a length behind the Dillingham entry. The time was 1:43—less than the records set by both runners this year.

Johnny Carroll had the mount on Oneonta, while Lieut. T. K. C. Palmer was up on Satisfax. The race was won in the saddle, as Carroll rode the better race from the drop of the barrier until the finish. Palmer took the lead early and held it to the five-furlong post, where Carroll took Oneonta up, and coming fast, pulled away from the black mare in the stretch. Both riders were making an effort to finish strong, but coming down to the wire Carroll gave Oneonta a grand ride, while Satisfax did not have a chance in the race to the judges' stand.

There were many surprised persons in the stand when Carroll took the bay horse away for a victory, but there are still many who believe that Satisfax is the better runner, and perhaps there will be another race soon.

## MIYAKE BEST IN WRESTLING AND DEBATE EVENTS

Japanese Champion Wins From Frank Kanae in Two Falls; Much Discussion at Ring

Taro Miyake, champion Ju-jitsu wrestler of the world, defeated Frank Kanae in two straight falls at the Kapiolani Rink on Saturday evening. The first fall was secured in four minutes and the second in 25 minutes. In addition to winning the wrestling Miyake also won the debating, and the discussions held at the ring side would have done justice to a political convention.

Kanae weighed more than the Japanese, but Miyake had a number of Ju-jitsu holds that stopped the local boy. At that, he had a hard time in the second fall and Kanae showed up well. It is certain that with more knowledge of the holds used by the Japanese Kanae would give Miyake a hard battle.

In the preliminary Fuji won from Alexander of the 25th Infantry. The Japanese followed Miyake's tactics and had the soldier at a disadvantage. Lively, who lived up to his name in his bout with Kitayama, secured a draw.

E. B. Williams, champion of the army, has issued a challenge to Miyake.

## C. D. LUCE WINS MILE WALK FROM HERBERT AYRES

C. D. Luce of the Schuman Carriage Company defeated H. M. Ayres in a mile walk Sunday afternoon at Kapiolani Park by inches. It was an interesting race and a large crowd watched the pedestrians. About two months ago Ayres defeated Luce and the handicap match of yesterday grew out of the last race.

Luce showed improved form yesterday, and although Ayres came strong at the finish could not catch up with the handicap and Luce won out in 9:27. Next Sunday afternoon the rubber race will be held and Ayres must give the winner 150 yards' handicap in the mile event.

Officials—Harry Whitcomb, Z. Williams, E. J. Jerome, Judges, and Robert E. Nute, timer.

## Large Crowd Witnesses Victory For Wreckers

25th Infantry Defeats Brushers—Johnson Hits Homer to Deep Center in Seventh—Jasper Pitches Good Ball—All-Star Squad Made Good Showing Against 25th—Braves Win From Chinese in Ninth Inning Rally—Admirals Star

Finishes are in order these days in everything but beating the Wreckers. It doesn't go quite that far. On Sunday afternoon the Brushers or All-Stars attempted to stage a finish against the 25th Infantry team at Athletic park, but they did not quite reach that stage, and the crowd from Schofield, desiring that there should be a finish, slammed out four runs in the seventh inning for good measure. The score was 7 to 2.

For six innings it was a battle between big Jasper and Hefty South. Jasper was using his fast ball and in shoot to the dismay of the All-Stars, and in this time the Brushers were only able to gather three hits off the Wrecker pitcher. South also was using a fast one in close, and his drop ball had the Wreckers guessing for a period, but he used it much too often and the boys from the hills got to him in the seventh for four tallies and the game was over.

Although the fans did not see Crafton in left field yesterday, Cullens of the same regiment was out, and he did his best to show the crowd that Crafton was not the only sack purloiner in the business. He hit two hard singles through the box, and stole second every time he got on first. Johnson was behind the plate handling Jasper's shoots, and the big center fielder surely made good with a vengeance, and in addition to catching an excellent game, hit one of South's shoots far over the fielders' head, and the ball rolled to the fence in right center. It was a harder hit ball than the one the big fellow clicked against the Olympics. Rogan was on base at the time and the two scores gave the Wreckers a big lead.

### Good Crowd Out

Fandom came out yesterday to watch the game, and it looked good to hear the crowd cheering when an unusually fast play was made. It is certain that baseball will go here if there are no more meddlers mixed up in it. Athletic park will be sold unless there is something doing in the baseball line, and the fans enjoyed the two games of yesterday so much that there is certain to be a banner crowd

out at the next games.

The players and the fans want to see baseball, and if the park management can get enough money out of it to hang on, the grand old game will still be with us next year. Every seat in the first base bleachers was filled, and a large crowd turned out in the grandstand.

### Lynch Hits Homer

It looked good for the All-Stars in the first inning when Lynch, the second man up, sent one over the garden wall for a homer, but two walks and a single by Smith gave the Wreckers two runs in the first, and they kept the lead throughout. Singles by Cullens and Swinton gave the Wreckers one run in the third, but they failed to score and it looked like a chance for the Brushers.

The last chance for the Shafterites occurred in the seventh when Johnson and Estelle singled, and Armstrong hit a fast one down to short, but Smith made a nice play of it, and caught Johnson. Jackson also hit down the third base line, but Moore shot the ball to Hawkins a foot ahead of Jackson. That was the last chance for the Brushers.

Rogan at Second  
Wilbur Rogan took a new position on the team yesterday, handling the keystone sack, and he did it well. He can play anything, including leftfield, the utility and pinch hitter. He handled five chances in his usual manner. In the seventh he beat out a hit to Kersetter by a stride. Then Johnson came up with the big hit of the day, and Goliath singled, Moore tripled, and the Brushers were brushed.

Hollerback went into the box for the Brushers in the eighth, and his southpaw shoots retired the side in order. He has a fast-breakin' ball and should be heard from in the future. Brush deserved heaps of credit for lining up a fast team. He has a number of good ball players on the squad and with a little strengthening this aggregation will make a good showing. Johnson at short looks good, while Lynch proved that he can hit by getting two healthy blows. The outfield

## BOSTON RED SOX CAPTURE HONORS IN THEIR RACE

Cleveland's Victory Over Chicago Gives Carrigan's Men Pennant for 1916

For the second time in two years the Boston Red Sox are pennant winners in the American League. By losing the first game of the day to Cleveland the Chicago White Sox lost whatever chance they had for the pennant yesterday afternoon. While they were doing this Fielder Jones kept his team in the first division by defeating the Tigers. New York still has a chance if they can defeat the Senators.

Bill Carrigan took his team of fighters down the stretch playing great ball, and despite the loss of Speaker proved that they had the punch. It was a great race, and Carrigan deserves all the credit for winning a pennant with Jack Barry out of the lineup.

In the National League it will be a grand fight for the flag between the Brooklyn and Philadelphia teams, and the Dodgers may find a hard row to hoe in meeting the Giants who won 26 straight games before losing to the Braves on Saturday. Philadelphia meets Boston and this series should be another hard-fought one.

## Kauai Team Wins Polo Match In Last Scene

CURTAIN RUNG DOWN ON MALLET GAME WHEN GARDEN ISLAND POLOISTS STAGE FITTING CLIMAX TO MOST SUCCESSFUL SEASON—KAUAI FOUR MAKES SENSATIONAL FINISH IN LAST PERIOD OF LAST GAME, WINNING FROM ARMY BY SCORE OF 4½ TO 4

If the grand council of poloists had sneaked around into some dark alley and framed a polo match up, they couldn't have excelled the work that was witnessed at Kapiolani park on Saturday afternoon, when the Kauai team came from behind in the greatest finish of the year and defeated the Army polo team by a score of 4½ to 4.

The two teams were drawing the curtain on polo for the year, and they saved the best act for the last. It was a climax, a thrill and a sensation heaped into one. It lasted for about three minutes and 31 seconds, and in this time the Schofield riders saw victory perched on a pedestal suddenly changed to bitter defeat. It was a hard game to lose and a great one to win.

### Kauai Finishes Strong

Kauai won the match by taking advantage of every opportunity in the last period. They played polo that would rank with any that has been seen here this year, in the closing minutes of play. They had nothing to lose and everything to win when Walter Dillingham made

a throw-in in the opening of the last period.

The Chicago White Sox may win the pennant, and the Philadelphia Athletics may win three games in succession. Gasoline may go to four cents a gallon and the Snow Shoe Club may hold their annual outing next week in Honolulu. Anything is possible after the victory of Kauai. It was a finish, and as in the Maui match the Schofield contingent were the ones who had to be the caprine hollow-horned ruminant, or goat, you wish to go into the classes.

### Gould Scores Victory

When Jay Gould, world's champion court tennis player, forced his way to the goal, and sent the wooden sphere through the goal posts, the crowd in the stands was silent. Then they burst forth into cheers, after realizing that Kauai had won out. It was a finish such as is only seen in fiction, and they used to think that Frank Merriwell staged some finishes.

"Kauai has a chance," said one ancient rooter who was paying his first
